

Creating a Student Wish List

The Online Book Fair allows students to create a Wish List of books to share with friends and family. This is a great opportunity for loved ones who live far away to participate in the Book Fair. Best of all, purchases benefit the school and ship to the school for FREE!

Create Your Wish List:

- Find your school at scholastic.com/fair, and click the **Shop Now** cart.
- To add items to your Wish List, click on the **Add to Wish List** button under any book. Books will automatically be added to your Wish List.

View Your Wish List:

- Click on **Wish List** at the top of the page to view your list of books.
- **Important:** When you view your Wish List for the first time, you will be asked to sign in with an email address and password. *Students will need an adult to complete the registration.*
- To view or modify your Wish List at a later date, go to **Log In** at the top of the page, sign in, and click on **Wish List**.
- Multiple Wish Lists can be created under a single registration – great for families with more than one student.

Share Your Wish List With Family and Friends:

- Send your Wish List by clicking on the **Send Wish List** button at the top of your Wish List page.
- Enter email addresses of friends and family. **Important:** *Scholastic does not capture or save email addresses.*
- When complete, click on **Send Wish List**.
- When a book has been purchased from your Wish List, it will show as purchased under the item details.
